Abundant Life Church

Week of February 14, 2021 A.D.

Announcements

Abundant Life Church exists to exalt Jesus (**worship**), to teach the Bible (**grow**), to share the gospel (**reach**), to love one another (**connect**), and to serve the Lord (**serve**).

A Living Savior

“You are... the Son of the living God.” ... “On this rock I will build my church.” (Matthew 16:16,18)

What is the church? To those who worship God in spirit and in truth, the church is not an institution. If “the church” does not worship God in spirit and in truth, the church can become any number of things: a service organization, a social club, an educational institution, an obligation, a hobby, or even a passion. But as worshipers of Jesus, we know there is something more supernatural about it. The “church” is His body.

Do you see it that way? Many don't. Many see it as a way to serve humanity among many other ways. Others see the church as a fellowship of like-minded friends, akin to a fraternity or a country club. Still others see the church as a place of learning, responsible for teaching religion to those who can't get it in public places. But the church is more. It isn't just a service organization, though it absolutely must serve others. It is not just a social outlet, though it must have fellowship. And the church isn't just a school, though it absolutely must educate. No, above all of these functions is the church's essence: the church is a living organism, the actual physical body of Christ in this world. Jesus lives in us—not just individually, but also corporately. Especially corporately.

That only makes sense. Any one of us alone is not sufficient to embody His fullness. But a body of millions of people does so much better than a body of one. In our spiritual fellowship, Jesus dwells. Not just the teaching of Jesus, but Jesus. Not just the philosophy of Jesus, but Jesus. Not just His goodwill or His good works, but Jesus. Yes, there will be teaching, a Christian worldview, goodwill, and good works. But that's because Jesus really lives in each and every Christian,, not because we live as a memorial to our deceased founder.

Do you realize the significance of the body of Christ? Do you realize also your significance as a part of it? We do not live simply in remembrance of our Savior. Our Savior actively lives in us right now. We don't just ask Jesus what to do, we ask Him what He is doing—right now, in us. Together.

In our efforts to improve our communications with you, better minister to you, and inform you of upcoming events, we are asking you to update your and your family's information in our database. You can do so at www.myabundantlife.org/update or scan the QR code with your phone's camera app. Here you can add your personal information and current contact information, children's information, etc. It is very important that families are correctly entered into our database so that we are able to quickly check your children into their Sunday School rooms. If you cannot use the online form, we will have volunteers in the library for the next 4 Sundays to help you update your information. You also can call or email the church office to do so.
